

WAYS TO SERVE

Data Entry Volunteers – There is a need for 6 data entry volunteers to help with updating our database. This includes some of the volunteers who will record attendance of members and guests each week while other volunteers will help us make phone calls to update information of all members in our database. This requires volunteers who are detail oriented to make sure our data is correct and a friendly phone etiquette. Training will be provided. Time commitment is a minimum of once a month.

Sponsorship Recruiters – We are looking to create a sponsorship team of 6 people that will work together in helping recruit sponsors for our annual events: Spring Fundraiser, Fish Fry, B2SF, Pumpkin Patch, Golf Tournament, etc. The team will meet once a month and brainstorm potential sponsors and work together securing those sponsors. These volunteers will be influential and motivated to help others see our vision for the ministry work we do. In between monthly meetings you will work on contacting sponsors. Your efforts will have a huge impact on the financial position of our church.

Children/Youth Volunteers – With one of our goals as a church being to reach more children and youth it requires that we have plenty of volunteers to help in these ministries. We would like 12 volunteers to help make this possible. You may be asked to help with Sunday School, Children’s Church, mid-week youth, and other opportunities based on your availability. Training is provided. You can ask to be a lead or an assistant depending on your comfort level. Commitment is once a month. “Jesus said, ‘let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these’”.

Meal Shut-In Cooks – Every Wednesday we cook and deliver meals to some of our shut-ins. We are looking for more volunteers to help cook for 8-12 people a week. You can sign up for the days you would like to cook and we will take care of the delivery. Time commitment is as often as you would like.

Lawn Volunteers – We are looking for about 12 volunteers to help clear the property line on the field in front of our church. Ideally, you would be able to secure clippers, chainsaws, and other necessary equipment to help clean up overgrown shrubbery and trees. These volunteers will also be asked to help

clean out and repatch out gaga pit as well as some routine maintenance in our courtyard. Time commitment is a few hours as you can spare.

Musicians – As we focus on our mission of making disciples we realize that a large number of people are moved to become followers of Christ through music. We need your music gift to help us grow our praise band and choir. If you play an instrument or enjoy singing praises to God then we would like your help. No need to be nervous about being in front of others as our focus is that we only sing for an audience of one...Jesus Christ. Start off by coming to a rehearsal and just practicing. You don't need to get on stage on Sunday until you're ready. Time commitment is as often as you would like. Let's worship together!

Communion Setup Team – We share in the sacrament of Holy Communion the first Sunday of every month and again on special occasions. This team sets up the communion elements for worship and then properly disposes of them after service is over as well as helps buy the elements (with church money). We will provide the training on what to do. Our goal is to find 2 volunteers to be a part of rotational schedule.

Worship Prayer Partners – Wanting to make sure that we are ready to meet the needs of anyone in worship we are looking for 20 volunteers to help us launch this new team. While there are no rules to how one prays, we will offer training on what things you might expect to be asked to pray about. Our hope is that over the course of the year that people will be asking you to help them accept Jesus Christ as their Savior. Time commitment is once a month.

Spring Cleaning Volunteers – We are looking for 12 volunteers to be a part of a "deep-cleaning" effort on our campus. Our plan is to go one room at a time and declutter and clean everything. We expect to be getting rid of things that haven't moved in years and reorganizing to maximize our efficiency and storage. These volunteers can work based on their availability and will receive step by step guidance of what is needed in each room. Time commitment would be at least a few hours a month.

Greeting Card Ministry Volunteers – We are looking for about 4 volunteers to help start a greeting card ministry. These individuals will use church bought cards to send to members and visitors for things like: birthdays, get well soon, condolences, thank you and other things. You will write a note and sign your name and mail them accordingly (using our postage account of course).

Sound Volunteers – We need 12 volunteers to be trained on how to use the sound boards in our worship spaces. You will be shown how to use the preset levels and how to make minor adjustments to sound. The training is simple and easy to follow and you will not run the sound board by yourself until you feel comfortable with it. Without these volunteers we are unable to have sound in worship. Time commitment is one set a month (a set = 1 rehearsal and 1 worship service).

Camera Operators – This spring we will start livestreaming our 9:30 worship service and are in need of 10 volunteers to be trained on how to operate the new cameras. This is an exciting opportunity for our church but requires your help for us broadcast worship and make disciples of Jesus Christ. Time commitment is one worship service a month.

Media Volunteers – Have you ever noticed in worship how the songs are projected on the screens? This is possible because of media volunteers who sit with the iPad and advance the slides. It's as easy as pushing a button. A manuscript is provided for you to follow along during service and know when to push that button. We need 6 volunteers to be trained on how to do this so that we have no interruptions in service. Time commitment is one set (a set – 1 rehearsal and 1 worship service).

Setup/Teardown Volunteers – We are looking for 8 volunteers to join this team. You may be asked to setup for Sunday, a funeral, wedding, community event, or a random meeting. Volunteer according to your availability. This may be something you want to consider doing as a family. Time commitment is about once every 4-6 weeks.

Hospitality Team – We are looking for 30 volunteers to join our hospitality team. This group helps with guest services on Sunday's, community events, funerals, and other special occasions. This group is often referred to as the "green shirts". When volunteering you will have the option of wearing a "green" hospitality shirt and/or a lanyard identifying you as guest services. There is a 1-hour training workshop on hospitality practices that will prepare you for this opportunity. Jesus modeled hospitality and taught the importance of all people practicing it so please say yes and help us welcome visitors. Time commitment is once a month.
